This page will walk you through the steps for event planning and reserving a space using 25live. Login to 25Live will require your Rowan University username and password. If you are having problems, please contact the Student Center Office and someone can assist you with the process. For more information about 25Live, visit <http://www.rowan.edu/ces/25live/index.cfm>. Please note that phone and email reservations will not be accepted.
2. Space assignments are received and confirmed on a first come, first serve basis within the priority categories (see Scheduling Priority). A confirmation will be emailed to the individual identified on the request. The email should be carefully reviewed for confirmation or denial of space or equipment, particularly with requests for multiple dates. Please note that your reservation is complete when you receive a confirmation/cancellation of your request by email.
3. The 25Live scheduling systems will not allow online reservations to be made less than 5 days in advance. All requests for space within the five-day window must be done in-person to the Student Center main administration office 117A during weekday business hours. Requests made less than 5 business days in advance will be assessed an administrative service fee of \$25. Due to limited

space and resources, users are highly encouraged to plan and anticipate room needs well in advance of event.

4. Set-up requests and equipment needs must be detailed on the reservation request. Final diagrams must be received at least 5 business days prior to the event or a \$25 late fee will be assessed. It is the sole responsibility of the reserving party to complete and provide this information. Student Center staff will be able to assist you in determining the most effective set-up arrangement for your function. Please consult with them well in advance of your event so that these deadlines can be met and charges can be avoided.
5. Student Center Administrative Staff will assign each reservation to the most appropriate space(s) available based on the event description on the request. The demands on the facility and the nature and size of the event will be considered in determining space assignments. Requests for specific rooms or space will be honored when possible. The staff reserves the right to re-assign space when necessary and to identify suitable alternative space for the original reservation.
6. Cancellations must be made at least 5 business days in advance of the program or event. To cancel a reservation that is more than 5 business days prior to your event please log-on to reservation on 25Live. If you need to cancel less than 5 business days prior to your event, you will receive a warning. Subsequent late cancellations may be charged up \$25. If less than 5 business days prior to your event please email studentcenterevents@rowan.edu or call at 856-256-4602 and include the date, time and room you wish to cancel.
7. A “No show” is defined as a reserved/set-up space that is not used by a department or student club for any reason. Departments and student clubs are permitted one (1) “no show” per academic year and a fee of \$10 will be charged for the 2nd “no show” and \$25 for the 3rd “no show”. Departments, organizations or Student clubs that have three (3) “no shows” may have room privileges suspended for one year.
8. Student Center administrative staff and/or the sponsoring group may request a follow-up meeting to discuss issues or concerns that may have occurred during an event/program.

Misrepresentation (Fronting)

University departments/student organizations may not act as sponsors/agents for off-campus vendors or organizations in order to avoid fees/charges for the space. Departments/organizations who reserve space for the purpose of allowing off-campus vendors or organizations to utilize space, advertise or sell items will be held responsible for misrepresenting themselves and their organizations and will be charged external rental rates, and may have reservation privileges suspended. University departments may not reserve space or act on behalf of a student organization (or vice-versa) to circumvent reservation policies, fees or procedures. Departments or organizations who do this will be charged the appropriate rental rates and may have their reservation request denied and/or reservation privileges suspended.

****Note:** Room 128 can still be reserved in advance via 25live.

Early Access/After Hours Access

Student Center Reservations are scheduled Monday – **Friday** beginning at **7 am** and **Saturdays and Sundays** beginning at **9am** through 1am daily. This fee will be determined based on time, supervision and set-up/break-down requirements.

Equipment Requests/Usage

1. Requests for audio/visual/tech equipment must be included at the time a reservation is made. Requests made less than five (5) business days in advance are not guaranteed.

At the conclusion of the program, the group is to notify the Student Center Staff. After business hours, the Building Manager should be notified so the equipment can be retrieved and safely stored. If the equipment is lost, destroyed, stolen, removed from its original location, broken, or displays damage beyond normal use, the organization will be charged a repair or replacement fee.
3. All AV equipment presently owned by the Student Center may only be used by organizations/individuals within the confines of the Student Center Building. Any exceptions must be made by the Student Center Director's Office.

Special Event and Late Night Programming Policy

Rowan University endeavors to provide for the safety of students and guests attending campus events. These guidelines apply to late night and special events and are intended to complement the University's regular reservation policies and procedures regarding campus space. For purposes of this policy, "late night events" shall mean events expected to end at 11pm or later; and "special events" shall mean events that may pose a security concern based on the number of guests, outside guests, outside marketing, live entertainment, fundraising or as determined by Public Safety and/or University Personnel or events that require a significant amount of logistical planning. Student Organizations chartered by SGA are permitted to reserve space in the Student Center and throughout the campus for extracurricular activities such as shows, dance parties, concerts, semi-formal activities, performances or other special events. Space will be assigned based on availability, type of activity, number of participants, and location of other events within the facility.

Chartered student organizations must be in good standing with the University and SGA in order to sponsor an event on campus. Student organizations that are on probation or that have outstanding financial obligations to the University or Dining Services may not hold events on campus. Chartered clubs may not co-sponsor a special event or late night event with an off-campus organization or with any commercial enterprise. Appeals to this policy must be in writing to the Assistant Vice President for Campus Recreation, Student Center and Conference Services, and may require a contract and insurance from the external organization.

Public Safety Requirements

It is the responsibility of Public Safety and University Personnel to evaluate each event for its unique circumstances and potential risk factors. By reviewing all known factors about a given event, and combining that information with knowledge of the campus, Public Safety will determine security and staffing needs for the event, as well as determine any capacity limitations for each event venue (based on safety issues). The event will be assigned a category according to the guidelines below. All questions can be directed to the Assistant Director of the Student Center, who is available to assist all student organizations with respect to policy adherence and event logistics.

University Posting Policy

Postings that contain subject matter demonstrating lack of thought, common sense or good judgment contradict the values and goals of that community.
